Yellow Highlight = Everybody; If you can't make it to a "Possible Workshop/Rehearsal" day, it will **not** count against your absences. However, if the Director feels we need to add a rehearsal, it is highly suggested you attend. A WORKSHOP is general theater training while a REHEARSAL will be working on the show.

The time on the calendar is the START time; you should try to be at the theater 15 minutes before START time to check-in, use the restroom, etc. The theater will ALWAYS be open 30 minutes early.
